CLINICAL EXPERIENCE

Speech Therapy Assistant, UW Speech and Hearing Clinic, Madison, WI 8/20xx-5/20xx

- Programmed and instructed patients in the use of alternative or augmentative communication devices
- Documented student performance through the preparation of charts records and graphs
- Shared information and demonstrated for students and their families the strategies developed by the Speech Pathologist
- Conducted hearing evaluations for school-aged children and counseled parents regarding children's progress in therapy
- Handled day-to-day clerical activities allowing the Speech Pathologist more time to work with patients with complex needs

SCHOOL BASED EXPERIENCE

Speech and Language Pathologist Intern, Prairie View Elementary, Oregon, WI 8/20xx-6/20xx

- Interviewed and identified children with speech and language disorders; provided therapy in regular and special education classrooms in collaboration with the full time Speech and Language Pathologist
- Treat children with articulation and language disorders in an engaging and fun environment
- Teach phonics lessons to Kindergarten class to assess the students' development
- Incorporate sensory stimulation techniques within the context of the classroom
- Facilitated language acquisition within an early childhood classroom using a collaborative intervention model

RESEARCH EXPERIENCE

Research Assistant, Little Listeners Project, University of Wisconsin-Madison, Madison, WI 9/20xx-5/20xx

- Greeted families of participants and outlined experiment procedure to generate informed consent
- Coded data of infant reactions from 4 hours of experiments each week

ADDITIONAL EXPERIENCE

Waitress, Nitty Gritty, Madison, WI 8/20xx-Present

- Communicate with team members in fast-paced environment to effectively meet needs of customers
- Train new employees on rules, regulations, and products served to provide customers with accurate information regarding any questions that may be asked
