

## Evidence of Participation for the Mathematical Discourse Series

---

**Evidence of participation:** This is to certify that the undersigned has attended the program described below.

**Directions:** This form can be submitted to verify participation in one or more Mathematical Discourse Series workshops. Participants must provide the information requested in the reflective statement box to complete this form.

**Title of activity:** Mathematical Discourse Series

**Description/nature of event:** The Mathematical Discourse Series is a virtual learning opportunity. The series focuses on supporting multilingual learners in their development and use of mathematical language.

**Dates:** January 2021–April 2021

**Location:** Online

**Duration:** (select all applicable events)

January 13, 2021: *Math Support for English Learners Workshop*  
(3 hours synchronous, 2 hours asynchronous)

February 17, 2021: *Facilitating Mathematical Discussions and Justification*  
(3 hours synchronous, 2 hours asynchronous)

April 14, 2021: *Facilitating Feedback for Mathematical Reasoning*  
(3 hours synchronous, 2 hours asynchronous)

\_\_\_\_\_ Total number of hours

**Reflective statement:** Briefly describe or summarize the activities, discuss the skills or knowledge acquired, and indicate, if applicable, how the new skills and knowledge will be applied in the context of your work.
