

Title: Lecturer

Degree and area of specialization:

Occupational Therapist with Master's degree required; Doctorate Preferred

License/certification:

NBCOT certification; Eligible for Wisconsin Occupational Therapy Licensure

Minimum number of years and type of relevant work experience:

Three years of work experience as an occupational therapist; previous teaching experience preferred. Clinical experience working with diverse populations is a plus.

Principal duties:

Teach occupational therapy intervention content (OT 623 & OT 624) for health conditions acquired from adolescence through adulthood. Guide students in understanding the impact of physical and psychosocial functional limitations on engagement in developmentally appropriate occupations. Instruct students in the assessment process and intervention strategies for addressing musculoskeletal, neurological, chronic disease, and mental health conditions. Introduce students to environmental assessment and adaptations. Teach associated Level I Fieldwork experience courses. Provide advising to students in the courses taught.

A criminal background check will be conducted prior to hiring.

A period of evaluation will be required
